## Mentor Welcome Letter and Orientation Check List

Name \_\_\_\_\_ Date \_\_\_\_\_

Welcome to this AMAZING transformational JOURNEY with your Mentee! You are a Life Changer!

As you walk-along-side your Mentee over the next 12 -18 months, or completion of program, this workbook will inundate you with revelations and new understanding, positive thoughts and new thinking, inspirational quotes, visual concepts and tools, and most importantly God's Word and the memorization of it. You will help initiate the healing and recovery process; spirit, soul and mind of your Mentee, and for yourself. We all have something more we can learn to become deeper in Christ. We will help you with your Mentee to launch forward into the purposes and plans of God for their wonderful new life, and in turn, it will be for you as well.

This workbook is a two-edged Sword, bringing healing to both of you in areas you don't even realize that you have need of until you delve in deep for yourself. Read, meditate, and let these concepts and scriptures speak to you too. They are Life and Light and will bring a refreshing new heavenly perspective! Thank you for embarking on this beautiful journey to walk along-side someone to bring healing and hope to another soul created in the Image of God.

The items on the left in your packet are to be signed and sent to: [Info@LifeChangersLegacy.org](mailto:Info@LifeChangersLegacy.org)  
Please initial and date the checklist and return as well. Please read every document thoroughly on the right to become better familiar with the program. We do ask that you share this incredible program with others and bring on at least one mentor on a month. This is how Kingdom compounded economy systems work. Thank you for being such a vital part of God's Kingdom expansions here on earth.

Fill out the information and do the check list on the next page and return to us at:

[Info@LifeChangersLegacy.org](mailto:Info@LifeChangersLegacy.org)

\*Program content from this checklist has been sent to you already before receiving this workbook.
