

Steps to Register on JPay.com

- **First**, you must create a new gmail with your **first name** . **last initial** . LCL@gmail.com. This is the email you will use to correspond with your Mentee.
- **Example:** Pamela.H.lcl@gmail.com If it says it is taken, put in your middle initial with a dot. Pamela.M.H.lcl@gmail.com
- **Steps to Register:** Google – Jpay.com Services
- **Click on Jpay.com** – inmate lookup, send money, etc.
- **Sign Up and Start Today**
- **Search State** – “Ga”
- **Enter Inmate ID# _____** then - “NEXT”
- **Click on Inmates Name**, then, **CREATE ACCOUNT – REGISTER**
- It will go to a “Send Money” page, then, click “Buy Stamps” (Stamps must be bought to send emails and you must click the box at the bottom of each email written so the inmates can write back, otherwise, they cannot.)
- **Do not send them money.** At the completion of Phase 1 workbook, we will start sending them an incentive package. We would ask that if you are able to purchase the \$50 dollar package as an incentive reward, that would be great, otherwise, if you are not able, we will make sure they get it. Let us know.
- **Please email your mentee at least once a week & send a card every other week.**
Correspondence is key to keeping them on track in the workbook.
