## Mentorship Commitment Pledge

I, \_\_\_\_\_ (YOUR NAME), *pledge to a one year commitment or until completion of the “I See ME Free” workbook-text to serve their mentee and minister in the LifeChangers Legacy Mentorship Incentive Training Program, Chebar Ministries.*

**I understand and agree** that my contribution is a ministry and my first obligation is to do all things as unto the Lord, Jesus Christ. As a member of the Body of Christ, I will honor this pledge to the best of my ability and I will inform the LCL Team of any commitment changes or updates which may change the course of my commitment **a month prior** to the discontinuation of the commitment, so that arrangements can be made to ensure the mentee/student be assigned another mentor, to assure quality and integrity of the ministry moving forth for each individual. Remember, we do not want to cause anymore grief or rejection upon the Mentee, so please stay committed!

*\*LifeChangers Legacy, Chebar Ministries understands that you are volunteering your precious time to assist in this ministry, even more so, doing the Lord’s work. **We are asking that the Mentors give a \$20 love offering each month to help with the cost of various processing of the programs, so we can reach more, teach more, and keep more to Christ.** If for any reason, your commitment has to change, needs to change, or you desire for it to change, please notify LCL Team one month prior so that we can continue the great work in which you started and that our women in prison do not miss a beat. Remember though, we are not trying to put any more rejection or abandonment feelings on them. Please pray first! We understand and we love our mentors too, and we want to ensure that you know that you have our full support in your needs as well. Just let us know at any time if you need a helping hand.*

*There is a **Mandatory Monthly Mentor Zoom** meeting on the **FIRST Tuesday at 10am** OR the **FIRST Thursday at 7pm of every month.** We have added the following **Monday at 7pm,** as well. You choose which one works best for you. We need to know how your relationship is going with your mentee to better serve and be able to assess what works best or needs to be changed. We want your investment into another life to be fruitful, and we are here to help with that and see that it happens well, as unto the Lord.*

*Thank you for your commitment to help bring change to someone who needs it the most.  
You are truly a Life Changer!*
