Prison & Reentry Mentorship Program

*From the Inside Out*

## **Mentor Welcome Letter and Orientation Check List**

Welcome to this AMAZING transformational JOURNEY with your Mentee! You are a Life Changer!

As you walk-along-side your Mentee over the next 12 -18 months, or completion of program, this workbook will inundate you with positive thoughts, quotes, visual concepts, and most importantly, God's Word. You will help initiate the healing and recovery process; spirit, soul and mind of your Mentee and yourself. We will help you with your Mentee to launch forward into the purposes and plans of God for their wonderful new life.

This workbook is a two-edged Sword, bringing healing to both of you in areas you don't even realize that you have need of. Read, meditate, and let these concepts and scriptures speak to you too. They are Life and Light, and will bring a refreshing new heavenly perspective!

The items on the left in your packet are to be signed and sent to: [Terri.B@LifeChangersLegacy.org](mailto:Terri.B@LifeChangersLegacy.org)  
Please initial and date the checklist and return as well. Please read thoroughly every document on the right to become better familiar with the program. We do ask that you share this incredible program with others and bring on at least one mentor a month. This how Kingdom compounded economy systems work. Thank you for being such a vital part of God's Kingdom expansions here on earth.

Fill out the information on the next page check list and return to us.
